It costs \$15 to play. There are 44 total spots available and you must pay when you sign up; there is a sign up sheet at Peg & Docs.

The Rules:

- Playing 8 rounds with 8 hands per round
- Switch partners each round
- Winning team travels to next table; pick high/low card and match partner at table with high/low card

Pay Out:

60% goes to Cystic Fibrosis

Remaining 40% paid at 20% to 1<sup>st</sup> place, 15% to 2<sup>nd</sup> place, 5% to 3<sup>rd</sup> place

### CYSTIC FIBROSIS INFORMATION:

Cystic fibrosis is an inherited chronic disease that affects the lungs and digestive system of about 30,000 children and adults in the United States (70,000 worldwide). A defective gene and its protein product cause the body to produce unusually thick, sticky mucus that clogs the lungs and leads to life-threatening lung infections; and obstructs the pancreas and stops natural enzymes from helping the body break down and absorb food. In the 1950s, few children with cystic fibrosis lived to attend elementary school. Today, advances in research and medical treatments have further enhanced and extended life for children and adults with CF. Many people with the disease can now expect to live into their 30s, 40s and beyond. (This information was retrieved from <http://www.cff.org/AboutCF/>)

*The money raised will be going towards Zach's Buddies at the annual Bowl for Breath at Rude's Lanes in Deforest on January 29<sup>th</sup>.*
